

Dear Chinnama,

It's hard to believe you're no longer with us, But I take comfort in knowing you passed away peacefully. I will forever cherish our conversation in 2024 during my last visit to Singapore, where you gently reminded me "Sivananthan please take care of your health". You've been such a big part of my life for over 68 years, Your smile, and your vibrant spirit will be deeply missed.

May God take care of your kind soul and give you eternal peace. Om Namashivaya. You will always have a special place in my heart my dear Chinnamma

With love,

Sivananthan
