

Our dearest and beloved Baby aunty. I and my family can never ever forget your loving mature, kindness & hospitality that you had showered upon me & my family whenever we come down to visit you, my beloved Sitappa & your lovely children. I still remember the day when you got married in Chulipuram & how beautiful you looked beside my handsome Sitappa. You were like a second mother to me, the way you took care of me and showered me with your love each time my family & I visit you in Spore. You were A Beautiful Angel who Walked on Earth, always smiling & looking happy to see all of us. You were like a younger & loving sister to my beloved Papa & Mummy. I'm deeply saddened & very sorry that I'm unable to attend your funeral due to unfortunate circumstances. Michael & I will definitely attend your 31st Anthiye ceremony & prayers. My dear brother Selvan is in S'pore to attend your funeral on behalf of me & my family. You loved me & my brother and your own children. My love & thoughts are forever with you my darling and beloved Baby Aunty, till we meet again. May your Great & Beautiful Soul Rest in Peace at the feet of Lord Shiva, Om Namah Shivaya. 🙏🌹🙏
